Speech and Language Pathologist Needed

The West Side School District is currently looking for a Speech and Language Pathologist. The current case load is 40-45. There may be potential for additional work within the community. The schedule may also be flexible depending on the needs of the applicant. Salary will be negotiated based upon experience.

Who We Are

Come and enjoy the many benefits of living and working in West Side School District! The West Side School District is located in the northern end of beautiful Cache Valley. It is five miles west of Preston, Idaho, 30 miles north of Logan, Utah, and 60 miles south of Pocatello, Idaho. We are a rural school district with approximately 600 students Pre-K through 12th grade. Our district encompasses four small farming towns. Our stakeholders and community members are unified in offering support to West Side schools. *West Side Pride is evidenced in all we do.*

Why West Side School District?

The Great Outdoors is one of the biggest benefits that our area has to offer. People move here for easy access to wilderness, and pollution free skies, not to mention their fair share of peace and quiet. While urban areas offer world-class cultural events and entertainment, it's Idaho's rugged landscape and opportunities for recreation and enjoyment of nature's wild side that inspire people to pack up their families and move here. Within a few minutes, you can participate in nature's peace and serenity: fishing, hiking, camping, hunting, boating, and 4-wheeling.

West Side's Claim to Fame

- State renowned academic, athletic, music, and vocational programs
- State of the art concurrent enrollment program that is a model for the state of Idaho. 90% of our juniors and 85% of our seniors participate in college courses while in high school
- Over \$1,000,000 endowment to support student's pursuit of college credit while attending high school.
- New 750 seat performing arts center to be completed spring of 2009
- Focus on curriculum and instruction that allows our district to receive some of the best assessment scores in the state
- College credit provided for yearly professional development for certified and classified staff
- Ample student and teacher access to technology
